

At Elson Infant School we have high expectations of achievement for all our children. We constantly seek to provide a safe, nurturing, happy environment in which **all** children can shine. The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children and their peers by ensuring that funding reaches the pupils who need it most.

It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. However they will be held accountable for how they have used the additional funding to support pupils. The Pupil Premium is allocated to children from low income families who are currently known to be eligible for Free School Meals (FSM), or has been in the last six years and children who have been looked after by the Local Authority. There is also a Pupil Premium for children whose parents are currently, or have recently served, in the Armed Forces.

From September 2016, schools are required to publish a Pupil Premium Strategy. This will ensure that parents are fully informed about the amount of allocation, barriers faced by eligible pupils, how the funding is to be spent, how impact will be measured and the date the strategy will be reviewed. We also need to include how the allocation was spent for the previous year and its impact on eligible and other pupils. Our key objective in using the Pupil Premium Grant is to diminish the differences between pupil groups. As a school we consistently track all groups of pupils to ensure that they make good or better progress. Through targeted interventions we are working to eliminate barriers to learning and progress. For new entrants that start with low attainment on entry, our aim is to ensure that they make accelerated progress in order to reach age related expectations as they move through the school. Once at age related expectations we always continue to extend that learning further to ensure that they reach higher levels of attainment. We closely monitor how we are spending the allocated funds to ensure they are having an impact on children's achievement and well being.

Elsion Infant School PUPIL PREMIUM STRATEGY 2018-19

Amount of Pupil Premium funding received 2018-19

Academic Year	2018/19	PP Budget	£52,700 (Of which Service Children funding is £3,900)	Date of Review	October 2018
TOTAL No of Pupils 251		No of pupils eligible for PP	47	Date of next review July 2019	
		Free School Meals (including ever 6)	30		
		Services (including ever 5)	13		
		Looked After Child/Child in Care AC or post	4		

Current Attainment for PP (Free School Meals - FSM)

School Attainment 2017/18	Pupils eligible for PP (FSM) at Elson (11 children)	Pupils not eligible for PP National
% achieving expected standard or above in reading – end of KS1	82%	75%
% achieving expected standard or above in writing – end of KS1	55%	77%
% achieving expected standard or above in maths – end of KS1	73%	76%

	Yr R Pupils eligible for PP (FSM) at Elson (11 children)	All Year R pupils - National
% achieving GLD at the end of Yr R	36%	72%

Identified barriers to educational achievement

Elson Infant School has identified the following as barriers for some of the pupils currently in receipt of Pupil Premium:

- Access to a rich language environment.
- Low attainment on entry to school.
- Access to extra-curricular activities - educational experiences such as trips, music lessons and participation in physical activities
- Attendance
- Parental engagement with school - especially at information and curriculum workshops, reading with children and completion of homework
- The number of pupils who are in receipt of Pupil Premium and also on the SEND register
- Behaviour – pupils with specific social and emotional needs which affect their learning
- Lack of self control and ability to manage own emotions.
- Difficulties with social skills and managing friendships.
- Low self esteem and lack of resilience.
- Turmoil and instability within the home.
- Health, including mental health of adults within the home.
- Low income and financial difficulties
- Emotional needs and anxieties during periods of transition and deployment, when parents work away from home for long periods.
- Parents own negative views/experiences in the education system

Key expenditure – how the allocation will be spent

Area of Spend	Focus	Budget Allocation	Intended outcomes – why these approaches were taken

How will the school measure the impact of the Pupil Premium?

At Elson Infant School we measure the impact of the Pupil Premium and the actions taken in the following ways:

- a cycle of data collection, monitoring and tracking of children's attainment – this informs pupil progress and enables the early identification of need, support and appropriate intervention.
- the Inclusion Leader being actively involved in all Pupil Progress Meetings.
- regular attendance meetings to closely monitor attendance and lateness and actions planned where there are concerns
- feedback and evaluations from parents for any support groups run.
- Home School Link Worker annual report to Leadership team.
- pre and post assessments using standardised tests for any interventions run.
- screening tools to assess the impact of emotional support.
- Inclusion Leaders report for the Governing Body.
